A practical, modern and functional auditorium : the fully-equipped Auditorium 2000 is one of Brussels' most renowned.

Auditorium 2000 can easily accommodate 500 to 1850 persons. The sophisticated lighting system enables you to plunge part of the room into darkness, guaranteeing conviviality when there is only a small number of occupants. All seats are equipped with writing tops. The venue also has interpreter cabins, a projection room, a son et lumière system, a large podium and a latest-generation panoramic screen. This auditorium has a large lobby which can serve as a welcome zone or a catering area.

A conference or congress in Auditorium 2000 is also very easily combinable with an event since the lobby of the auditorium is connected directly to the black box of Event Hall 10. Together these two spaces are the ideal site for all types of hybrid events.

It is also possible to use the Auditorium 2000 as a studio to accommodate your digital and hybrid events.

BRUSSEL, DÉ BESTEMMING VOOR 2022

Als ontmoetingsplaats, als zakelijke bestemming, of als decor voor uw incentive of teambuilding... Brussel biedt mogelijkheden voor elke organisator, met tal van unieke locaties en bekwame lokale leveranciers. visit.brussels staat klaar om u bij uw activiteiten te begeleiden. De nieuwe gids 'Let's Meet in Brussels 2022' geeft u alvast een overzicht van wat onze hoofdstad op MICE-vlak te bieden heeft.

Het is hoog tijd om elkaar opnieuw face-to-face te ontmoeten. Brussel beschikt over alle troeven om professionele contacten te versterken en zakelijke kansen op lange termijn te creëren. De stad zet volop in op technologische vernieuwing en duurzaamheid. Daarnaast is Brussel ook dé uitgelezen plek voor culturele en culinaire ervaringen. Het multiculturele karakter van haar inwoners en bedrijven, het brede netwerk van

Silversquare, dat coworking-ruimtes en vergaderruimtes verhuurt – telkens ontworpen door een andere kunstenaar -, opent binnenkort zijn zevende locatie, in de Brusselse Noordwijk. Maar het grootste nieuws voor de Brusselse MICE-sector in 2022 is de opening van het Cardo Brussels Hotel, Autograph Collection by Marriott aan Rogier, met maar liefst 530 kamers, 13 vergaderzalen, een rooftopbar, een Spaanse food court en een Japans restaurant op de 30ste verdieping.

The Hoxton opent deze zomer zijn eerste Belgische hotel vlakbij de Botanique, tussen de Brusselse Noordwijk en het stadscentrum. Het krijgt een dakterras, 198 kamers en worden ook co-working spaces voorzien. De Brusselse Noordwijk is in volle evolutie en wordt steeds meer een trekpleister voor internationale bezoekers.

Nieuwe locaties

In Brussel vind je meer dan 200 locaties voor grote en kleine evenementen. Dit aanbod wordt elk jaar verder uitgebreid. In juni werden The Faculty and Sparks geopend. The Faculty ligt vlak bij het Zuidstation en is gevestigd in de voormalige veeartsenijschool. Het is een multifunctioneel gebouw met kantoren, een co-workingruimte, vergaderzalen en ruimten voor evenementen. Sparks, naast het centraal station, beschikt over een theaterzaal voor 250 gasten, vijftien vergaderzalen en een in-house keuken waar gewerkt wordt met lokale & gezonde producten. Ook de Grote Markt van Brussel is een toplocatie rijker. Hier biedt 5 Grand Palace een salon van maar liefst 350 m2 met zicht op het monumentale plein. Ideaal voor een congres, receptie of diner. Op wandelafstand van het Warandepark vind je het Koninklijk Circus, waar de evenementenruimte CLUB met een capaciteit van 350 personen is geopend.

Immersive experience

Wil je van je bijeenkomst echt iets bijzonders maken? In Brussel kun je je eigen immersive experience organiseren. In het Plein Publiek immersive theatre kun je terecht voor projecties van 360 graden. Of waarom geen reis naar het Brussel van vroeger organiseren? Dat kan met Fantastic Brussels in het Hotel Metropole. Daar horen holograms, lasers, videomap-pings en meer bij.

What's new in BRUSSELS ?

Dear contact.firstname contact.lastname,

With summer well on its way and the return of the historical Ommegang, large events progressively return to Brussels and help to fill up the diverse accommodation offer available in the capital. With yet more to come, you can already check out what is happening in the coming weeks.

Recent events in Brussels

June in Brussels saw the [New European Bauhaus](#) festival held at two locations – Gare Maritime and Mont des Arts. The rich programme was also streamed online.

We also celebrated the return of the [BRAFA Art Fair](#), which brought together fine arts galleries and curious visitors at its new venue, Brussels Expo.

New venues for meetings: The Faculty and Sparks

Sunny mid-June was also the perfect moment to inaugurate two new venues in Brussels. Located close to the Midi train station in a former veterinary school, [The Faculty](#) offers a multi-use space with offices, a co-working space and meeting and event rooms.

Next to Brussels Central Station, [Sparks](#) offers a variety of rooms and a buzzing energy that can be felt in its variety of meetings and workshops spaces.

Great encounters in Brussels with the Brussels team

We were delighted to be able to connect with so many IMEX attendees at our new visit.brussels stand. We were so happy to see you all there and share all the latest news from Brussels. It was also a pleasure to meet at the UIA Roundtable in Brussels and at the BBT Online event in Meise.

Something that you won't have known from our talks was the recent opening of the new rooftop for guests of the [Bedford hotel](#) in Brussels' city centre. The capital has added another breathtaking view to its collection.

A retrospective view is present in the testimonial of the [Jeunesses Musicales International Congress](#), held in September 2021 at Maison de la Poste. [Discover it now!](#)

Enjoy a moment of leisure and music with floral notes

Summer in Brussels is a time for music, with festivals of various sizes being held all around the city.

The [Arena 5](#) festival at Brussels Expo will treat you to great music with a view of the Atomium, while the Vaux Hall in Brussels Parc hosts a variety of artistic events.

Spending time in Brussels with your family? Check out the [Hello Summer](#) programme.

The end of July and August is also perfect for discovering the Royal Palace, free of charge. [Booking](#) of your visit time slot is required.

This year also sees the return of the [Flower Carpet](#) from 12 to 15 August on the Grand-Place. Save the date or book your view from the Town Hall!

Upcoming events

July will be a month packed with gatherings around various topics in Brussels:

July 4 to 8: [iEMSs 2022](#) organised by the [International Environmental Modelling and Software Society](#) at VUB

July 5 to 9: [17th International Congress on Neuromuscular Diseases | ICNMD 2022](#) at Square

July 9 and 10: [EMYO – the 4th European Meeting of Young Ophthalmologists](#) at UCL

July 11: [HEART project final conference Opening doors to efficient buildings](#) at Residence Palace

We hope to list your meeting or venue in our upcoming editions. If you have any specific questions, please don't hesitate to contact the [visit.brussels meetings team](#).
